MEN’S SPORTS PANTS
Athletic meets aesthetic.

Is it not sportiness that makes a Mercedes-Benz so unique? With the Mercedes-Benz Collection, we also pay tribute to this claim with fashion. Figure-accentuating cuts combined with materials that are as functional as they are beautiful exemplify pure athleticism – while exclusive details, such as the high-gloss Mercedes star or illuminating colours, exemplify unmistakable aesthetic appeal. Exclusive sports devices such as golf iron made from titanium round off the image in proper style.

3 LADIES’ SPORTS PANTS
“The best or nothing.” Gottlieb Daimler’s quote offers possibly the most fitting explanation for the powerful radiance of KRAMSKI PUTTER. With this approach, the brand has been able to establish itself in the golf scene and in tournament events as a standard for ultimate precision and perfection in just a few years.
The HPP 325 MB is based on the same high-precision putter model (HPP), with which two legendary 59 rounds have already been played on par 72 courses at professional tournaments. Precision milled and colour anodised, this sporty, tuned mallet with a high-tech insert captivates in such a way that it has won great popularity amongst KRAMSKI tour players. The HPP 325 MB is available as a right or left-hand model with a specially developed precision handle. A design putter cover made from the finest leather is included.

Your design story begins now.

The exclusive Mercedes-Benz Classic Collection finds legendary style icons from the unique Mercedes-Benz history. It takes up the timeless, stylistic line and impresses with the unique Mercedes-Benz craftsmanship. Classic cuts and high-quality materials create its own series in which every collector’s item fits perfectly to the other.
In 1960, Heinz and Margot Bauer established the traditional Swabian company called Heinz Bauer Manufakt. At an early stage, the couple started producing their own jacket collection with great success. Today, Jochen Bauer is the second generation at the helm of the company. With time, the company developed a great collection and international reputation with innovative details, rooted in a passion for driving convertibles.

Business unusual.

For all those who love high-performance in their job, this Collection combines business-chic with clear racing accents. The finest leather has the typical AMG touch, feel and look thanks to a perforation and diamond look. The same material also makes wallets even more valuable. Cool gunmetal sets accents and is reminiscent of the high-gloss detachable chrome parts of the AMG models.

Clothing sizes

The tables below are designed to help you find your perfect size. It is important to take your measurements correctly. For best results, you should be relaxed and wearing only your underwear. Ideally you should use a tape measure which you should keep close to the body. If you have someone to help you, it will be easier and more precise.

1. CHEST: keeping the tape measure horizontal, measure around the fullest part of the chest
2. WAIST: measure around the waist without drawing the tape measure too tight
3. HIPS: keeping the tape measure horizontal, measure around the fullest part of the hips
4. HEIGHT (for children’s clothing): measure from the top of the head to the sole of the feet without shoes

Please note: separate tables are provided for the PUMA brand and the official MERCEDES AMG PETRONAS MOTORSPORT clothing.
